AGREEMENT WAIVING IMMEDIATE ATTACHMENT OF INCOME

It has been explained to both of us that every order of alimony pendente lite, child support and spousal support must contain an order for the immediate attachment of payor's income unless we agree in writing to a different arrangement. We hereby agree not to require immediate income withholding at this time. Both of us understand that if the payor fails to make support payments in an amount equal to or greater than one month's support obligation, an attachment of income will be issued notwithstanding this agreement.

Defendant (party obligated to make payments)

Plaintiff (party entitled to receive payments)
