This motion is an emergency and I am requesting a decision by end of business today.

This motion is NOT an emergency. I am requesting a decision per the Court's Standard Operating Procedures

The Court will not and cannot consider other documents or communications including arguments between parties/counsel.

Once a motion and any response are submitted, further replies/responses are limited to New Matter only. Any other responses are not permitted, absent leave of court. Failure to abide by this restriction may result in sanctions, including counsel fees.

I understand that failure to complete and submit this form in full with my motion will result in the Court failing to consider the matter. I also understand that while I may submit my motion in PDF format, any proposed order may be submitted in PDF but must also be submitted in a WORD document.
